Welcome to Escanaba, Michigan and the 60th International Rally.

The Committees are busy putting our "Silver City" together as more members arrive everyday, but there is still plenty of work to be done before the rally can begin. This would be a great time to visit the local community and to see all the things Escanaba has to offer. The Pre-Rally guide lists many places to visit and things to do

Jan and I would like to thank every volunteer for the time and effort they put into this Rally.

Richard and Jan Girard
