Dear Members:

The 60th International rally is in full swing with many events happening every day. It would be impossible to list all the people who helped make this event happen. This rally happens because of all the volunteers who donate their time every year to make this the club's premier event. Jan and I will always be grateful to each one of you. I know a few of you have obligations and need to leave early and to those we thank you for attending and wish you safe travels. For the members staying to the end, we have plenty more to see and do, including a fish fry on Friday followed by the very popular Antsy McClain.

### **KRUSIN' KLASSICS IS GRATEFULL**

The Krusin' Classic Car Club was given the opportunity to provide a cookout meal for 1250 members of WBCCI on Monday evening. We were very pleased with the friendliness shown us and the patience shown us as we are not caterers.

Richard and Jan Girard showed confidence in us. They had been to some of our annual car shows. This year they met us when we were at a parade north of here at Rapid River. Jan asked us if we had ever prepared meals for 1000 people before. We said no, and she didn't even blink. We know she had to be thinking what have we gotten into. Thank you for the confidence in Krusin' Classics. Any profit from the meal will be donated to local charities on your behalf.

Thank you again for choosing Delta County and the Upper Peninsula of Michigan for your rally, and for the kindness you have shown al of us here. You are truly a family, come back again and say Hi! Stay in touch with our webpage, [krusinklassics.net](http://krusinklassics.net), and on Facebook. We will be thinking of you at Salem next year. TRAVEL SAFE.

Please have your WBCCI Membership number displayed on both the front and rear of your Airstream Trailer, Motorhome or B-Van. This helps our messengers find you, also helps in case of an emergency for the 911 people. Also have a clothes pin attached with a string to the door handle for message delivery.

### **TABS ARE BEING COLLECTED IN THE VENDOR AREA IN THE GRANDSTAND BUILDING**
